Pastor's Comments: Look at nature all around us, especially here in the Juniata Valley. With beauty, God is so generous. I love it here. I love looking at Shade and Jacks Mountains in Mifflin County and the mighty Tuscarora Mountain in Juniata County. Don't even get me started on the Juniata River, on which I have kayaked several times. Beautiful. I'm telling you, God does not hold back and neither should we. There is a beauty to generosity too. When we give we replicate what God did a millennia ago right here in our valleys, for our benefit today. Generosity too has a kind of delayed reaction, by which its fruits are evident later. Trust in God, be patient, be generous, and the beauty of it all will come forth in time to come, both in your life and in the world.

It's hard to believe that we need to start thinking about the next heating season already! Once again, Nittany Oil Company wants to help you control costs. We are pleased to introduce you to our "Church Program" for Pre-Buy. Nittany Oil was the first oil company in the area to offer this pre-buy program, and we continue to offer it because of the successful partnerships we've built with our local churches and parishioners. We pledge to provide a reasonable price per gallon for heating oil, and also "give back" to the churches and parishioners. We are pleased to offer the pre-buy program for churches for the upcoming heating season (October -April).

Scholarships Needed for SHS!

As we approach the beginning of the new school year, we are faced with a great need to provide tuition assistance to our school families. Last year, we provided \$43,700 in parish tuition assistance, but only collected around \$20,000 in donations. We are asking that you consider providing a partial or full scholarship, named or unnamed, to make a big difference in the life of a child at SHS. This year, we have one named scholarship: In Memory of Betty Hackett, and several unnamed scholarships that have been awarded, but there is still a need for several more. If you are interested, please contact the Development Office (447-2002) to discuss your arrangements. Thanks so much, as always, for your continued generosity to SHS!

PS: The Angel Tree will be available in a few weeks for those of you who would like to contribute to the Angel Fund. We ask again for your continued support of this ministry as well!

Dear Parishioners and Friends of Catholic Education:

Please consider being a part of a ministry to provide a K-12 Catholic education to every family! Currently, bussing to Centre County is not provided for our 7+ students to attend Our Lady of Victory for middle school and/or St. Joseph's for high school. We are seeking donors to help cover the cost of transportation. The total needed for a year is near \$14,000. With your generous help, we can make this a real possibility for our Catholic children! Please contact Fr. Weary or Sue Parzanese to help with this important ministry!
